

III. REMARKS

Claim Status

Claims 1-42 are in the case. Claims 1-7, 9-13, 15-17, 23-27, and 36-42 have been amended; claim 8 stands withdrawn, claims 14, 18-22 and 28-35 have been cancelled.

Claim Objections and Rejections

Applicant acknowledges with thanks the courtesies extended during the telephone interview between the examiner and applicant's attorney, Serle Mosoff.

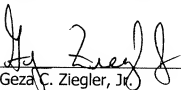

The examiner indicated specified that the amended claims would be allowable provided certain typos and grammatical corrections were made to correct formalities and, in the case of claims 15-17, that the claims be limited to "treatment".

Applicant has so amended his claims to conform to the points made by the examiner, thereby obviating the basis for the claim objections and rejections and placing the claims in condition for allowance.

Applicant reserves the right to file divisional applications for any subject-matter that has been deleted the application as originally filed.

The Commissioner is hereby authorized to charge payment for any fees associated with this communication or credit any over payment to Deposit Account No. 16-1350.

Respectfully submitted,
